

TECHNICAL CHARACTERISTICS

SPECIFICATION: N/A

APPLICATION: The Geka style couplings are suitable for various quick-connect pipe connection systems, such as water delivery hoses, industrial hoses, sandblasting hoses etc.

MATERIAL: Made from forged brass.

PACKAGING: All Couplings are individually bagged and packed in boxes. (Quantity per box shown below).

MINIMUM ORDER QUANTITY: 5 units

Product code	Description	Size	Number of couplings per box
QCF-13	Quick coupling female (Geka Style)	13mm	200
QCF-19	Quick coupling female (Geka Style)	19mm	200
QCF-25	Quick coupling female (Geka Style)	25mm	100
QCF-32	Quick coupling female (Geka Style)	32mm	100
QCF-38	Quick coupling female (Geka Style)	38mm	100
QCHT-13	Quick coupling hosetail (Geka Style)	13mm	200
QCHT-19	Quick coupling hosetail (Geka Style)	19mm	200
QCHT-25	Quick coupling hosetail (Geka Style)	25mm	100
QCHT-32	Quick coupling hosetail (Geka Style)	32mm	100
QCHT-38	Quick coupling hosetail (Geka Style)	38mm	100
QCM-13	Quick coupling male (Geka Style)	13mm	200
QCM-19	Quick coupling male (Geka Style)	19mm	200
QCM-25	Quick coupling male (Geka Style)	25mm	100
QCM-32	Quick coupling male (Geka Style)	32mm	100
QCM-38	Quick coupling male (Geka Style)	38mm	100
QCRG	Quick coupling rubber gasket (Geka Style)	N/A	1000
